

Operations Group

Are you satisfied with your overall manufacturing operations?

WHAT ARE THE BENEFITS?

WHO ATTENDS?

WHAT'S THE FOCUS?

WHAT'S THE COMMITMENT?

Join a group of successful production leaders to

- Learn via best-practice presentations and benchmarking tours.
- Gain from candid critiques in a confidential forum.
- Receive advice from peers on your critical problems.

Individuals with titles such as Vice President, Director of operations or manufacturing, or others with broad manufacturing responsibilities.

Effective leadership tactics for improvement of the overall production system. Past topics have included:

- Effective scheduling
- Lean manufacturing practices
- Building teamwork
- Theory of constraints
- Developing new managers and much, much more.

Members

- Attend a half-day monthly tour and/or presentation.
- Contribute and share their experiences.
- Host one program per year.

You can't afford to miss out any longer!
