

Lean Enterprise

Are you satisfied with your lean implementation progress?

WHAT ARE THE BENEFITS?

Join a group of successful lean manufacturing champions to

- Learn via best-practice presentations and benchmarking tours.
- Gain from candid critiques in a confidential forum.
- Receive advice from peers on your critical problems.

WHO ATTENDS?

Individuals who focus on implementing Lean such as: Continuous Improvement and Lean Enterprise Coordinators. Black Belts; Plant, Manufacturing or Operations Managers; and Manufacturing Engineering Managers.

WHAT'S THE FOCUS?

Manufacturing process improvements and effective leadership tactics for creating Lean production and office systems. Past topics have included:

- Unique visual management tools
- Conversion to pull systems
- Measurements that drive change
- Lean design processes and much, much more.

WHAT'S THE COMMITMENT?

Members

- Attend a half-day monthly tour and/or presentation.
- Contribute and share their experiences.
- Host one program per year.

You can't afford to miss out any longer!
