

Finance Group

Are you satisfied with your profits, process and performance?

WHAT ARE THE BENEFITS?

WHO ATTENDS?

WHAT'S THE FOCUS?

WHAT'S THE COMMITMENT?

Join a group of successful financial decision-makers to:

- Share best practices.
- Explore alternative scenarios in a confidential forum.
- Choose specific topics you would like experts to discuss.
- Discuss insights with your peers on your critical issues.

CFO's, controllers and other accounting and financial managers in a manufacturing firm.

Improve profits, process and performance.

Topics may include:

- Performance metrics and rewards
- Mergers, acquisitions and culture shifts
- Overseas operations, exchanges and staffing
- Internal controls, budgets and risk management
- Cash management and cost of capital
- New regulations and old paradigms

Each member will:

- Attend twelve monthly presentation/discussions from 8:00 - 11:00 a.m. on the second Wednesday.
- Contribute and share their experiences.
- Host one program per year and tour of facility.
