Supply Chain Negotiation Strategies

Would better negotiations benefit your company?

Companies are dependent on their supply chain partners for successful operation. Ensuring you receive the right product at the right price at the right time can be an extreme negotiation challenge. A success negotiation can strengthen your supplier relationships for years to come where a bad experience can create havoc on your entire operation.

Course Objectives
Develop a strategy for implementing successful negotiations with your supply chain partners. Learn how to create a negotiation planner, understand negotiation styles, tactics, and tips and tricks for dealing with international negotiations. Put your skills to the test as your negotiate for real money during this course!

- Preparing for a Negotiation: Utilizing a Negotiation Planner
- Negotiation Styles
- Negotiation Tactics: Concession Making and Breaking a Deadlock
- Negotiating Globally
- After the Negotiation
