

LEAN ENTERPRISE PEER GROUP

A Community of Skilled
Lean Practitioners
Dedicated to Sharing
Best Practices

Manufacturers Alliance
Sharing Education & Resources Peer to Peer

Learn effective strategies for Lean production and office systems
Sustain Lean culture by staying current through benchmarking
Expand knowledge by interacting with other Lean managers

TYPICAL CHALLENGES

- Energizing the organization to sustain continuous improvement
- Developing teams of problem solvers that apply valid solution methods
- Sustaining the gains made in Lean transformation
- Building a culture of excellence that views change as an opportunity
- Moving beyond Lean tactics to build a Lean mindset
- Setting the groundwork to be a good corporate citizen

“Peer group meetings give me the opportunity to see best practices in action. I always leave the meetings with at least one good idea to take back to work. I find the meetings energizing and educational.” - Jerry H., VP Operations

HOW YOU BENEFIT

- Benchmarking tours to see first-hand how peers address Lean challenges
- Sharing best practices with peers and outside subject matter experts
- Access to online peer group forum for questions 24/7
- Enjoy benefits of company membership, including free seminars
- Discounts for workshops and certification classes
- Resources and proven solutions to help you achieve your goals
