

ONLINE LEAN ENTERPRISE PEER GROUP

A Community of Skilled
Lean Practitioners
Dedicated to Sharing
Best Practices

Manufacturers Alliance
Sharing Education & Resources Peer to Peer

Sustain Lean culture by sharing best practices with peers
Learn effective leadership strategies for production & office systems
Expand knowledge by interacting with Lean enterprise managers

TYPICAL CHALLENGES

- Energizing the organization to sustain continuous improvement
- Developing teams of problem solvers that apply valid solution methods
- Building team members engagement to support Lean transformation
- Preparing the organization for change
- Moving beyond Lean tactics to build a Lean mindset
- Developing highly effective teams to deal with changing environments

“The group comments and feedback provide a constant source of learning or just a great reminder of best practices and goals to develop. I seldom leave a meeting without getting something new to consider for my plant.” - Darrell V.,
Production Manager

HOW YOU BENEFIT

- Monthly online meetings facilitated by Lean leaders to learn best practices
- Coaching and peer feedback for most challenging operational issues
- Access to online peer group forum for questions and sharing tools
- Enjoy benefits of company membership at no additional charge
