

OPERATIONS MANAGEMENT PEER GROUP

A Community of
Operations
Managers Charged
with Improving
Output & Quality

Manufacturers Alliance
Sharing Education & Resources Peer to Peer

Gain insights how to sustain continuous improvement efforts
Expand knowledge base by interacting with other operations peers
Learn best practices to support Lean transformation

TYPICAL CHALLENGES

- Dealing with uncertainty of forecasts and scheduling requirements
- Moving beyond Lean tactics to build a Lean mindset
- Building a team of problem solvers using tools that work
- Dealing with cultural and diversity challenges on the plant floor
- Developing and supporting highly effective teams in changing environments
- Making excellent staffing choices and planning for the future

"I am so impressed with the genuine interest of this group of talented people who strive to improve operations and are willing to share their knowledge. I am grateful to be associated with them." -
Todd R, VP Operations
