

SALES & MARKETING PEER GROUP

A Community of Sales and Marketing Leaders Committed to Creating & Communicating Value

Manufacturers Alliance
Sharing Education & Resources Peer to Peer

Gain insights for effective processes that create loyal customers
Expand knowledge base by interacting with other professionals
Build a network of professionals facing similar challenges

TYPICAL CHALLENGES

- Developing an integrated brand and marketing communications strategy
- Staying current with digital transformation affecting the practice
- Creating value for customers by offering highly sought-after products
- Evaluating the 4Ps and 4Cs of the marketing and sales strategy
- Developing sales talent to work with marketing to convert prospects
- Applying analytics to make best decisions about resource allocation

"I have been a member of the Sales & Marketing peer group for several years. Being a member is like having your own Board of Directors to provide a sounding board for your ideas. I recommend it to all industrial sales and marketing professionals." - Jon A., Director of Global Marketing & Sales
