

SENIOR OPERATIONS PEER GROUP

A Community of
Operations Leaders
Responsible for
Improving Throughput,
Quality, and Safety

Manufacturers Alliance
Sharing Education & Resources Peer to Peer

Expand knowledge base by interacting with operations peers
Gain insight how to build a culture of continuous improvement
Learn best practices from experienced manufacturing peers

TYPICAL CHALLENGES

- Developing and retaining team leaders to improve operational efficiencies
- Dealing with uncertainty of forecasts and scheduling requirements
- Moving beyond Lean tactics to build a Lean mindset
- Building a team of problem solvers using tools that work
- Dealing with safety, cultural, and diversity challenges on the plant floor
- Making optimal staffing choices and planning for the future

“I am so impressed with the genuine interest of this group of talented people who strive to improve operations and are willing to share their knowledge. I am grateful to be associated with them.” -
Todd R, VP Operations
