

Visual Management & 5S Improvements Online

Offered as part of the Online Lean Practitioner Certification

Your instructor:

Jeremy Blake, Leadership & Development Coach, has 8 years of experience working in manufacturing as a Machine Operator, Continuous Improvement Leader, Operational Excellence Leader, and Quality Manager. Jeremy holds a Lean Practitioners Certification as well as a 6 Sigma Green Belt Certification.

"A key takeaway from this workshop: changing how you think - identifying waste when walking through the facility or office"

Steve Rice, Dir. Quality
Hamon Deltak Inc.

Customers, employees and suppliers can tell a well-run plant and office without a narrated tour. The visual clues are everywhere. This is a straight-forward approach that impacts your customer and employee image, productivity and sales.

Visual Management & 5S Techniques

The many facets of visual management and 5S can allow employees to show pride and organization in their area, give them performance feedback, provide incentive to hit their goals, illustrate what is expected of them and recognize a job well done. These techniques can help overcome language and reading barriers and boost learning retention too.

These techniques include:

- ◆ Visual display boards
- ◆ Visual control boards
- ◆ Motivating teams for higher performance
- ◆ Visual performance measurements
- ◆ Standard work boards
- ◆ Color-coding time savers
- ◆ Pictorial procedures
- ◆ 5S organizing and housekeeping
