

Gaining Buy-in for Lean Online

Implementation best practices from successful Lean transformations
Part of the Sr. Lean Practitioner Certification

About the instructor:

Mike Grengs is a Lean Consultant and former Program Manager of Lean Implementation for a Fortune 500 company.

You know the basic continuous improvement tools. But, how do you use them to effectively transform the company? You need to know how to start, how much to tackle at once, who you need to involve, what results to expect, and what kind of resistance you will encounter.

Topics will include:

- Change leadership best practices
- Realistic implementation strategies
- Execution planning
- Education and communication plans
- Overcoming resistance and biases
