

Accelerating a Lean Culture Online

Avoid the trap of just putting principles on a poster. Ensure they guide behaviors and get results. Part of the Sr. Lean Practitioner Certification

Your instructor:

Michael Muilenburg, is the Operational Technology Manager and Strategic Planner for the Film Manufacturing Division of 3M Company. He leads a team of continuous improvement specialists in nine U.S. locations and 12 international sites. In addition, he coordinates the Division's annual strategic planning process.

Apply a principle-based approach to your culture of continuous improvement. Learn principles of enterprise excellence and how these guide behaviors and create culture. Then understand the link between existing company systems, behaviors and business results. In this experiential, online workshops attendees will develop an improvement plan that outlines how they will improve key systems that get results.

Workshop Objectives:

- ◆ Understand and define Enterprise Excellence
- ◆ Understand and connect principles to key systems
- ◆ Understand and link key systems to ideal behaviors
- ◆ Connect ideal behaviors to business results
- ◆ Develop a plan to improve key systems

Who Should Attend: Team Leads, Supervisors, and Managers. Participants should currently have responsibility for a team.
