

# HUMAN RESOURCES MANAGEMENT PEER GROUP

**Manufacturers Alliance**  
Providing Training & Education Peer to Peer

Gain insights from peers dealing with similar challenges  
Share best practices and receive candid, confidential feedback  
Develop a network of peers to act as a personal advisory board

## TYPICAL CHALLENGES

- Recruiting, on-boarding, engaging, and retaining talent
- Developing training and development plans
- Managing regulatory compliance issues
- Administering performance reviews, compensation, and benefits
- Preparing the organization to better deal with changing demands
- Setting the groundwork to be a good corporate citizen

“Human Resources can be a lonely profession as so much of what we deal with is confidential in nature. It is wonderful to be able to gather with other HR professionals to swap ideas and generate strategies through new information. I never leave a meeting without feeling enlightened or invigorated.”

- Erin J., HR Director

## HOW YOU BENEFIT

- Gaining valuable insight and feedback about plans of action
- Sharing best practices with peers and outside subject matter experts
- Access to online peer group forum for questions 24/7
- Enjoying benefits of company membership, including free seminars
- Discounts for workshops, certification classes, and on-site training
- Resources and proven solutions to help you achieve your goals
