# OPERATIONS MANAGEMENT PEER GROUP

Gain insights how to sustain continuous improvement efforts  
Expand knowledge base by interacting with other operations peers  
Learn best practices to support Lean transformation

## TYPICAL CHALLENGES

- Dealing with uncertainty of forecasts and scheduling requirements
- Moving beyond Lean tactics to build a Lean mindset
- Building a team of problem solvers using tools that work
- Dealing with cultural and diversity challenges on the plant floor
- Developing and supporting highly effective teams in changing environments
- Making excellent staffing choices and planning for the future

"I am so impressed with the genuine interest of this group of talented people who strive to improve operations and are willing to share their knowledge. I am grateful to be associated with them." -  
Todd R, VP Operations

## HOW YOU BENEFIT

- Benchmarking tours to learn how peers address operational challenges
- Sharing best practices with peers and outside subject matter experts
- Access to online peer group forum for questions 24/7
- Enjoy benefits of company membership, including educational seminars
- Discounts for workshops, certification classes, and on-site training
- Resources and proven solutions to help you achieve your goals
