

6 SIGMA GREEN BELT CERTIFICATION

OFFERED BY:
Manufacturers Alliance

Develop the skills needed to lead teams through structured problem solving, address issues at the root cause, and drive sustainable improvements on the floor.

3 EXPERIENTIAL WORKSHOPS

- 1 Define & Measure
- 2 Analyze
- 3 Improvements & Controls

TESTS, PROJECTS & COACHING

At the end of the certification, complete an online exam to reinforce Six Sigma concepts and terminology. Projects demonstrate your ability to apply the tools, deliver measurable improvement, and are validated with manager sign-off.

From this certification, I gained knowledge of Kaizen events, asking the right questions, and working with the operators on their ideas.

Lillian Brown, Manufacturing Engineer, TT Electronics

How It Works:

- ✓ Complete the training, a test & a project
- ✓ Access coaching to know you're doing it right
- ✓ Become certified in as little as 6-months

The Fee:

Members: \$1,850 per person
Non-members: \$2,350 per person
