

PROFESSIONAL TEAM LEADER CERTIFICATION

OFFERED BY:
Manufacturers Alliance

Develop the skills and gain the experience needed to eliminate defects, reduce variation, and improve the customer experience through a structured, data-driven approach.

3 EXPERIENTIAL WORKSHOPS

- 1 Learning Your Leadership Style
- 2 Learning to Lead Your Team
- 3 Learning to Lead Up & Across

TESTS, PROJECTS & COACHING

At the end of the certification, complete an online assessment to reinforce Practical Team Leadership concepts. Hands-on application demonstrates your ability to lead daily work, apply problem-solving tools, and drive measurable improvements with manager sign-off.

This will help us retain employees who want to learn and earn more all while spending less time in a classroom.

Scott Bliss, Operations Transformation Leader, Cretex
