

6 SIGMA YELLOW BELT CERTIFICATION

OFFERED BY:
Manufacturers Alliance

Develop the skills needed to understand process improvement fundamentals, identify waste, and support data-driven improvements within your team and processes.

3 EXPERIENTIAL WORKSHOPS

- 1 Define & Measure
- 2 Analyze & Improve
- 3 Control

TESTS, PROJECTS & COACHING

At the end of the certification, complete an online exam to reinforce Six Sigma concepts and terminology. Projects demonstrate your ability to apply the tools, deliver measurable improvement, and are validated with manager sign-off.

“ Some people don't like to learn in a classroom setting. This will help us invest in people who want to learn independently and at their own pace. ”

Melissa Sawin, COO, Pella Northland

How It Works:

- ✓ Complete the training, a test & assignments
- ✓ Access coaching to know you're doing it right
- ✓ Become certified in as little as 2-months

The Fee:

Members: \$650 per person
Non-members: \$950 per person
