

6 SIGMA YELLOW BELT CERTIFICATION

OFFERED BY:
Manufacturers Alliance

Develop the skills needed to understand process improvement fundamentals, identify waste, and support data-driven improvements within your team and processes.

3 ON-DEMAND COURSES

- 1 Define & Measure
- 2 Analyze & Improve
- 3 Control

TESTS, EXERCISES & COACHING

Throughout the program, participants complete workbook exercises that apply Six Sigma tools and reinforce key concepts in real-world situations. At the end of the certification, complete an online exam to strengthen your understanding of Six Sigma principles and terminology.

“ Some people don't like to learn in a classroom setting. This will help us invest in people who want to learn independently and at their own pace. ”

Melissa Sawin, COO, Pella Northland

How It Works:

- ✓ Complete the training, a test & assignments
- ✓ Access coaching to know you're doing it right
- ✓ Become certified in as little as 2-months

The Fee:

Members: \$650 per person
Non-members: \$950 per person
