

PROFESSIONAL TEAM LEADER CERTIFICATION

OFFERED BY:
Manufacturers Alliance

Develop the skills and gain the experience needed to eliminate defects, reduce variation, and improve the customer experience through a structured, data-driven approach.

3 ON-DEMAND COURSES

- 1 Learning Your Leadership Style
- 2 Learning to Lead Your Team
- 3 Learning to Lead Up & Across

TESTS, EXERCISES & COACHING

Throughout the program, participants complete workbook exercises that apply Practical Team Leadership tools and practice leading daily work in real-world situations. At the end of the certification, complete an online assessment to reinforce Practical Team Leadership concepts.

“ This will help us retain employees who want to learn and earn more all while spending less time in a classroom. ”

Scott Bliss, Operations Transformation Leader, Cretex
