

Manufacturers Alliance COMPANY MEMBERSHIP

35 Years | 400+ Members | 5,000 Individuals Developed Annually

Develop Your Workforce / Solve Challenges Faster / Improve Performance
With a Membership Designed for Manufacturers

WHY MANUFACTURERS JOIN

-  **ONLINE Community Groups**
Access a trusted network of peers to solve HR, CI, or Operational challenges faster, at no extra cost
-  **Digital Courses**
Develop Lean & leadership skills across your organization without paying per person
-  **Educational Webinars**
Inspire and educate your team with Lean and leadership insights from peers, unlimited access
-  **Preferred Pricing**
Enroll team members in Peer Groups or Certifications at discounted rates
-  **Onboarding Support**
We'll help launch the membership across your company so employees participate and learn
-  **Activity Reporting**
Measure engagement and training participation across your organization, done for you

"The online community alone helps our team overcome challenges and improve faster!"
