A3 PROBLEM SOLVING

A3 Problem Solving is a structured, practical approach to tackling business challenges using Lean thinking. In this hands-on workshop, you'll learn how to clearly define problems, analyze root causes, and align teams around effective countermeasures. Using the A3 framework, you'll gain a simple yet powerful method to communicate, coach, and drive continuous improvement on issues large or small.

YOU'LL LEARN TO:

- ✓ Define problems with clarity and focus
- ✓ Analyze root causes using data
- ✓ Develop and prioritize countermeasures
- ✓ Communicate solutions through an A3
- ✓ Sustain improvements and measure results

WORKSHOP FEE:
Members: $345 per person
Non-members: $445 per person

CUSTOMIZED TRAINING:
Available to be brought onsite and customized to your needs.

DESIGNED FOR

Supervisors, managers, team leads, and individual contributors responsible for solving problems or leading improvement efforts
