MEASURING THE RIGHT THINGS

Learn how to use the right metrics to drive real performance improvement. This workshop shows how to connect metrics across the organization, balance leading and lagging indicators, and align measures with key operational priorities like Safety, Quality, Delivery, and Cost.

YOU'LL LEARN TO:

- ✓ How to connect metrics across organizational levels
- ✓ The difference between leading and lagging indicators
- ✓ How to align metrics with SQDC priorities
- ✓ How to avoid relying only on historical measures
- ✓ How metrics drive performance improvement

WORKSHOP FEE:
Members: $345 per person
Non-members: $445 per person

CUSTOMIZED TRAINING
Available to be brought onsite and customized to your needs.

DESIGNED FOR

Managers and leaders responsible for improving performance through metrics.
